Subject: Amendment request for new RSO

Discussion: I contacted Ms. Fisher because we had received information the RSO currently named on the license was leaving and the pending amendment did not request an RSO change. The pending amendment requested only an additional AU and AMP. When I inquired about this, Ms. Fisher stated that a request had been sent in to notify us the current RSO left and to name a new RSO. I told her that it did not appear that the request was received in Region I and I asked if she could email a signed copy of the request. She did. That request can be added to the current amendment request to be processed at the same time.
