Re: Notification of Radiation Safety Officer changes for Material License No.: 06-00253-04

Dear Sirs:

Per the regulations stated in 10 CFR 35.14 (b) (1) and (2), we are notifying you that our listed Radiation Safety Officer, Peter J. Mas, has resigned his position at Hartford Hospital and will no longer be serving as Radiation Safety Officer (RSO) for the institution, effective 17 Jul 2017.

Accordingly, we have appointed Jennifer Hann Fisher, MS, DABR, our temporary RSO. Ms. Fisher served recently as RSO and as an Authorized Medical Physicist for Mercy Hospital on NRC Material License 21-02187-01. We understand this designation is applicable for up to 60 days without seeking approval of formal recognition.

Thank you for your attention to these administrative notifications. If you have any questions regarding these changes, please contact Jennifer Hann Fisher at 860-972-4748 or 574-339-1134 (cell) or through email, [Jennifer.Fisher@hhchealth.org](mailto:Jennifer.Fisher@hhchealth.org).

Regards,

Donna M. Handley, RN  
Hartford HealthCare Cancer Institute  
Vice President of Operations
