RE: Return of Generally Licensed Device to Manufacturer - NRD, LLC

In accordance with the provisions of 10 CFR 31.5(c)(8)(i) and 31.5(c)(8)(ii), the University of Michigan is submitting this notification regarding the return of a generally-licensed device to its manufacturer.

Please be advised that the University of Michigan has returned a Po-210 static eliminator end-of-line air ionizer (static eliminator) to the manufacturer - NRD, LLC of Grand Island, NY. This device was acquired through a 13-month lease arrangement the terms of which require it to be returned to the manufacturer in accordance with its instructions. Listed below are details about the device and the shipment:

Date of Return:	July 20, 2017
Manufacturer / Recipient:	NRD, LLC / Grand Island, NY
Manufacturer License No.	1391-1811 (New York State)
Device:	End-of-Line Air Ionizer (Static Eliminator)
Model:	P-2021
Serial No.:	A2KS389

Please review and update your records to reflect the return of this device to the manufacturer.

Thank you for your time and consideration. Please do not hesitate to contact me at Radiation Safety Service / EHS [(734) 764-6200 or drisc@umich.edu] should you have any questions or comments regarding the return of this device to NRC, LLC.

Sincerely,

Mark L. Driscoll
Director / Radiation Safety Officer
Radiation Safety Service / EHS
