**SUBJECT: UPDATED INSPECTION PLAN FOR ST. LUCIE PLANT, UNIT 1 AND UNIT 2 –
(REPORT 05000335/2017005 AND 05000389/2017005)**

Dear Mr. Nazar:

The enclosed inspection plan lists the inspections scheduled through June 30, 2019 for St. Lucie Plant Unit 1 and Unit 2. The NRC provides the inspection plan to allow for the resolution of any scheduling conflicts and personnel availability issues. Routine inspections performed by resident inspectors are not included in the inspection plan. The inspections listed during the last twelve months of the inspection plan are tentative and may be revised. The NRC will contact you as soon as possible to discuss changes to the inspection plan should circumstances warrant any changes. This inspection plan does not include the plan for security-related inspections, which will be sent via separate, non-publicly available correspondence.

The NRC plans on conducting one non-routine inspection for Saint Lucie Unit 2 per IP 71003, "Post Approval Site Inspection for License Renewal," Phase II.
