SUBJECT: VOID LETTER CONCERNING APPLICATION FOR A NEW LICENSE,
CONTROL NO. 600487

Dear Mr. Slack:

This concerns the application for a material license dated June 13, 2017 submitted by you and received in our office on August 18, 2017. The NRC staff has determined that the license application did not meet the criteria for the NRC to initiate a technical review of the application as indicated below.

- A. The mailing address shown in the license application is already listed in an active NRC license issued to another company.
- B. The field station shown in the license application is already listed in an active NRC license issued to another company.
- C. The staff was unable to corroborate that your company "Conam Inspection Services, Inc." is registered with the State of Ohio as an active entity.

Therefore, you are hereby notified that this application for a material license has been voided without prejudice. This action is without prejudice to the resubmission of an application.

Sincerely,

/RA/
