**SUBJECT: ZEVACOR PHARMA, INC., FINANCIAL ASSURANCE DOCUMENTATION,
MAIL CONTROL NO. 599643**

Dear Mr. Plastini:

During our licensing review for the indirect license transfer of NRC Materials License No. 45-25221-01MD, from Zevacor Pharma, Inc. to Sofie Network, Inc., it was our understanding that the transfer of control would not have any effect on your decommissioning financial assurance, and that Zevacor Pharma, Inc. would continue to be responsible for decommissioning after the transfer. Based on our recent conversation with James A. York, III, Regulatory Specialist for Zevacor Pharma, Inc., it is our understanding that your financial assurance documentation may need to be updated following the license transfer.

The following documents now provide financial assurance for your license:

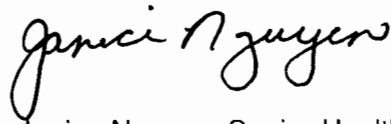

Payment Surety Bond dated March 23, 2017 [ML17101A655]
Payment Surety Bond Amendment 1 dated April 21, 2017 [ML17136A184]
Certification of Financial Assurance dated April 25, 2017 [ML17136A184]
Standby Trust Agreement dated May 1, 2017 [ML17136A184]

If any changes will be made to the financial assurance, please submit a response in writing within 30 days of the date of this letter indicating any changes to the financial assurance documents noted above, and include the revised documents in your response. Thank you for your assistance.

If you have any questions, please contact me at 610-337-5006, or by e-mail at janice.nguyen@nrc.gov.

Thank you for your cooperation in this matter.
