Dear Ms. Hill,

In keeping with the Nuclear Regulatory Commission (NRC) License agreement (License Number 42-29335-01), Murphy Exploration & Production Company-USA (Murphy) requests a name change for the Radiation Safety Officer (RSO), as well as a change in the Murphy contact manager. We are requesting to change the current RSO and contact manager from Jack Kogut, to Michael McDermott.

As part of this notification, please note that Barry Jeffery, Vice President HSE and Risk Management, has replaced Charles Dudek.

We respectfully request the NRC to make the appropriate name changes to the Murphy license. Attached you will find copies of the Certificate of Qualification for the RSO training attended by Michael McDermott.

If there are any questions or you require additional information, please contact Mr. Michael McDermott, (281) 647-5709 or via email [michael\\_mcdermott@murphyoilcorp.com](mailto:michael_mcdermott@murphyoilcorp.com).

Sincerely,

Barry Jeffery  
Vice President, HSE and Risk Management

This is to acknowledge receipt of your:  Letter and/or  Application Dated: 08/07/2017

The initial processing, which included an administrative review, has been performed.  
 Amendment  Termination  New License  Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>  
Follow the instructions on the form for submission.

The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
