Director of Regulation
U.S. Atomic Energy Commission
Washington, D. C. 20545

Dear Sir:

In the past, correspondence from your office concerning Commonwealth Edison Company nuclear power plants has been directed to the attention of Arthur C. Gehr, as well as to the Edison Company. Would you adjust your records so that future correspondence be directed to John W. Rowe instead of Mr. Gehr.

Your cooperation in this matter is appreciated.

Very truly yours,

Helen Hass
