Gentlemen:

RE: DRESDEN UNITS 2/3 AND QUAD CITIES UNITS 1/2

As the result of our review of the final report on the Mark I Containment Evaluation Short Term Program and the Proposed Long Term Program, we find that we need additional information to complete our evaluation. The information needed is shown in enclosures 1, 2, and 3. Most of the items listed in the enclosures were discussed with the General Electric Company, Bechtel Corporation, and the Mark I Owners Group during our meetings of December 3 and 4, 1975.

In order to complete our review in a timely manner, we will need a completely adequate response by January 20, 1976.

Please contact us if you need clarification of our request.

Sincerely,

Original signed by  
Dennis L. Ziemann

Dennis L. Ziemann, Chief  
Operating Reactors Branch #2  
Division of Reactor Licensing
