Gentlemen:

My letters to you dated May 12 and June 1, 1978, advised that your requests dated April 13, 1978 (for Zion 1 and 2) and May 11 (for Dresden 2 and 3) relating to your proposed modifications to the spent fuel pools were actions determined to be in fee Classes IV and I rather than the Classes III and I of 10 CFR 170.22 that you paid. We have not received the additional fees of \$8,300 for each of the two applications. These fees should be submitted to this office within fifteen (15) days after receipt of this letter.

Sincerely,
