 and 50-265

Dear Mr. Ziemann:

In response to your letter dated December 19, 1973, attached are summaries of operating history of electromatic relief valves for the subject units. The date, type of operation (manual or automatic), and circumstances (startup test, surveillance, etc.) of each valve operation is listed.

We are pursuing a response to the second request in your December 19, 1973 letter and are scheduling to submit this response by the week of February 18, 1974.

One (1) signed original and 39 copies of this information are submitted for your use.

Very truly yours,

J. S. Abel
 Nuclear Licensing Administrator
