SUBJECT
Missing information

SUMMARY
Amendment requested removal of location for #5, however no additional information was provided besides the request. Licensee was contacted to provide the following information:

- 1) Survey maps of the area being removed
- 2) Survey data of the area being removed
- 3) Leaks test of applicable sources
- 4) Shipping information and receipt confirmation of sealed sources
- 5) Any other pertinent information about the area being removed

In discussion with the licensee it was noted the desire to remove the request from the amendment.

Continue on Page 2

ACTION REQUIRED (IF ANY)
Provide additional information mentioned above or provide letter that states the desire to remove the request from the amendment. Either should be accompanied by signed and dated cover letter.
