Subject: [External_Sender] Freedom of Information Act Request

To whom it may concern,

I am writing you to formally request all 2016 and 2015 employee compensation data held by the Nuclear Regulatory Commission that is releasable as public record.

We are specifically looking for the following data fields (where available):

Fiscal Year | Position # | Last Name | First Name | Middle Name/Initial | Race | Gender | Location of Work City/State | Agency | Department | Job Title | Compensation (base pay, hourly rate, salary, overtime, etc.) | Pay Basis (Hourly, Annually, etc.) | Benefits Pay | Date Hired | Date Terminated | Full-time/Part-time | Jurisdiction

Note: If not all fields listed are releasable as public record or available please disregard those individual fields for this request but provide all other fields in this request that are releasable.

I would prefer the request be filled electronically, by either e-mail attachment or FTP Download if available, otherwise sent through mail via CD/DVD. I would appreciate the request to be filled in an accessible format, including but not limited to: CSV, Excel, Microsoft Access database, or other bulk list file type.

In the event that fees for personnel time and materials are incurred, I would be grateful if you would inform me of the total charges in advance of fulfilling my request.

Please let me know if you have any questions or concerns.

Very Respectfully,

Research Division
