### PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- We did not locate any agency records responsive to your request. *Note:* Agencies may treat three discrete categories of law enforcement and national security records as not subject to the FOIA ("exclusions"). 5 U.S.C. 552(c). This is a standard notification given to all requesters; it should not be taken to mean that any excluded records do, or do not, exist.
  - We have withheld certain information pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.
  - Because this is an interim response to your request, you may not appeal at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination.

Please be sure to include on your letter or email that it is a "FOIA Appeal." You have the right to seek dispute resolution services from the NRC's Public Liaison, or the Office of Government Information Services (OGIS). Contact information for OGIS is available at <https://ogis.archives.gov/about-ogis/contact-information.htm>

### PART I.C COMMENTS ( Use attached Comments continuation page if required)

NRC staff informs us that effectiveness reviews were not required for BLs and GLs prior to 2009. Only two reviews have been completed since that time, both of which are already publicly available (ML121910389 and ML11165A165). Thus, there are no records responsive to your request.
