Hi Jan,

This looks great. I have NLO to the transfer approval package you sent this morning. Thank you for the quick turnaround.

Best,

Hi Esther,

Thank you very much for the review of the Sibley Memorial Hospital indirect license transfer. I have attached copies of the revised letter and SER. Please let me know if I have your NLO.

Thank you!

Hi Jan,

I have just a few edits and a couple of comments on the Sibley Hospital transfer of control approval package. My comments are to add a statement that the request is for post-hoc consent to an indirect license transfer that is already complete and that the NRC issued a violation. Could you address my comments in tracked changes and return the cover letter and SER for review? Thank

you!

Best,

Esther
