Docket No. 50-244

Rochester Gas and Electric Corporation
ATTN: Mr. John E. Maier
Vice President
Electric and Steam Production
89 East Avenue
Rochester, New York 14649

Gentlemen:

The enclosed IE Bulletin No. 80-24, "Prevention of Damage Due to Water Leakage Inside Containment (October 17, 1980 Indian Point 2 Event)" is forwarded to you for action. A written response is required.

In order to assist the NRC in evaluating the value/impact of each Bulletin on licensees, it would be helpful if you would provide an estimate of the manpower expended in conduct of the review and preparation of the report(s) required by the Bulletin. Please estimate separately the manpower associated with corrective actions following identification of problems through the Bulletin.

If you desire additional information regarding this matter, please contact this office.

Sincerely,

Boyce H. Grier
Director
