Commonwealth Edison Company
ATTN: Mr. Cordell Reed
Vice President
Post Office Box 767
Chicago, IL 60690

Gentlemen:

This refers to the routine inspection conducted by Messrs. R. D. Schultz and M. M. Holzmer of this office on April 20-21, 1981, of activities at the Commonwealth Edison Company corporate offices authorized by NRC Operating Licenses No. DPR-19, No. DPR-25, DPR-29, DPR-30, DPR-39, and DPR-48 and NRC Construction Permit No. CPPR-99 and to the discussion of our findings with Messrs. R. Jortberg, G. Marcus and E. Martin of your staff at the conclusion of the inspection.

This inspection was conducted to review the effectiveness of your QA program in selected areas for both past and ongoing activities related to the Dresden, Quad-Cities, Zion and La Salle Nuclear Generating Stations. The enclosed copy of our inspection report identifies areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations, and interviews with personnel.

During this inspection, certain of your activities appeared to be in noncompliance with NRC requirements, as specified in enclosed Appendix A. A written response, submitted under oath or affirmation, is required.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter, the enclosures, and your response to this letter will be placed in the NRC's Public Document Room. If the enclosures contain any information that you or your contractors believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within seven (7) days from the date of this letter of your intention to file a request for withholding; and (b) submit within twenty-five (25) days from the date of this letter a written application to this office to withhold such information. Section 2.790(b)(1) requires that any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought

to be withheld, and which contains a full statement of the reasons on the basis which it is claimed that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4). The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified periods noted above, a copy of this letter, the enclosures, and your response to this letter will be placed in the Public Document Room.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

C. E. Norelius, Acting Director
Division of Engineering and Technical
Inspection
