ATTACHMENT - "Delegation of Authority"

Memo To: Radiation Safety Officer

September 5, 2017

From: Kathleen Silard, Executive VP, Chief Operations Officer

Subject: Delegation of Authority

You, Peter J. Mas, MS, DABMP, have been appointed Radiation Safety Officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations.

You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the Nuclear Regulatory Commission at any time. It is anticipated that you will spend the appropriate number of full-time work hours needed per week conducting radiation protection activities.

I accept the above responsibilities,

Signed: Executive VP, COO

Date: 9/5/17

Signed: Radiation Safety Officer
