Leo,

Just wanted to summarize the 4 PSP items we discussed by phone today, so we are on the same page:

1. The PSP pages 1 – 38 are incorrectly labeled as SGI on the header and footer, rather than SGI-M, but will be changed to SGI-M.
2. Typo on page 9 of the PSP (1<sup>st</sup> paragraph, 1<sup>st</sup> sentence) – “Surveillance cameras are *position*...” The word should be “*positioned*”
3. Will include the statement from the CMIP (page 6, item 5) into the PSP regarding control of hazardous materials within the CAA. See RAI PSP-23.
4. Will include the cardinal direction North on Figure 4.

Let me know if you have any questions.

Thanks,  
Ed
