Dear Mr. Maier:

SUBJECT: SEP TOPIC III-3.C, INSERVICE INSPECTION (ISI) OF
WATER CONTROL STRUCTURES - GINNA

This letter is to inform you that the draft Safety Evaluation Report for SEP Topic III-3.C, "Inservice Inspection of Water Control Structures," forwarded by our letter dated February 22, 1982, is considered final. The conclusions are unchanged as you have not provided adequate basis in your letter dated April 5, 1982, to eliminate Deer Creek as a water control structure. The issue of Deer Creek as a water control structure is an identified difference which will be evaluated in the integrated assessment.

Sincerely,

Original signed by:
