RE: Project Work Cancellation - Activities at Temporary Job Site Utilizing U.S. NRC Radioactive Material License #42-35287-01, Temporary Location: former Quivira Mine site, located in the Church Rock and Stand Rock Chapters of the Navajo Nation, New Mexico

SIA Solutions LLC (SIA) previously provided written notification of its intent to utilize SIA Material License #42-35287-01 at a temporary job site. This details of this temporary work was covered originally by mail Control Number 600005. The start date was further revised, by written notification to your office, on July 21, 2017 to occur on or about August 14, 2017. Since that time, the client notified SIA on August 9, that project work involving SIA has been cancelled.

This letter is being sent to notify NRC Region IV that SIA will not be performing work at this job site utilizing its NRC license and withdraws the information provided on June 28 and July 21, 2017.

NRC original acknowledgement information associated with this work at a temporary Job Site is traceable via "Acknowledgement – Receipt of Correspondence" associated with the original notice of work activities at this temporary work site dated 07/05/2017 with Mail Control Number 600005.

If you should have any questions regarding this notification, please contact Henry W. Siegrist at (860) 416-0196 (voice).

Sincerely,

*Henry W. Siegrist*

Carol, Jennifer,

Attached is a cancellation of previously filed license use at a temporary job site. The SIA license will not be used at this time at the subject site. Details are attached.

Please send both Dr. Neralla ([snerala@siasolutions.com](mailto:snerala@siasolutions.com)) and me a copy of the NRC 532 acknowledgement form.

Thanks for your assistance,  
Hank
