Docket No. 50-244

Rochester Gas and Electric Corporation  
ATTN: Mr. John E. Maier  
Vice President  
Electric and Steam Production  
89 East Avenue  
Rochester, New York 14649

Gentlemen:

Subject: Inspection 50-244/80-13

This refers to the routine inspection conducted by Mr. K. Plumlee of this office on September 23-26, 1980 and November 24-26, 1980 at the R.E. Ginna Nuclear Power Plant, Ontario, New York of activities authorized by NRC License No. DPR-18 and to the discussions of our findings held by Mr. Plumlee with Mr. B. Snow and others of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the Office of Inspection and Enforcement Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspector, and observations by the inspector.

Our inspector also verified the steps you have taken to correct the items of noncompliance and deviation brought to your attention in letters dated February 6, 1979, February 7, 1980, and July 17, 1980. We have no further questions regarding your action at this time.

In addition, our inspector examined those activities conducted under your license relating to the subjects covered in your letters to the Director, NRC Region I, dated November 11, 1976, to the Director, NRC Office of Inspection and Enforcement dated May 23, 1978. We have no further questions regarding these matters. Within the scope of this inspection, no items of noncompliance were observed.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must be accompanied by an affidavit executed by the owner of the information, which identifies the document or part sought to be withheld, and which contains a statement of reasons which addresses with specificity the items which will be considered by the Commission as listed in subparagraph (b) (4) of Section 2.790. The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

No reply to this letter is required; however, should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

James H. Joyner, Chief, Technical  
Inspection Branch, Division of  
Engineering and Technical Inspection
