Gentlemen:

Subject: Inspection 50-244/81-01

This refers to your letter dated June 29, 1981, which is an additional response to our letter dated March 25, 1981.

Thank you for informing us of the additional corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

Your cooperation with us is appreciated.

Sincerely,

B/ B. H. GRIER
