Washington, D.C. 20555

Subject: Rochester Gas and Electric Corporation
R.E. Ginna Nuclear Power Plant
Docket No. 50-244

Dear Mr. Stahle:

Enclosed are:

1. An Application for Amendment to Operating License to amend Appendix A of that license to reflect appropriate titles for the corporate positions having responsibility for overall Plant safety.
2. A check for \$150 in accordance with 10CFR170.12.

The purpose of this submittal is to make administrative changes in titles for the Vice President and Plant Manager, as well as to modify the PORC membership. Additional miscellaneous title changes have also been noted to be consistent with current Ginna Station nomenclature.

This submittal supersedes the Application for Amendment to Operating License submitted by RG&E on October 10, 1988. When issued, this Amendment should become effective immediately.

Very truly yours,

Robert E. Smith
