Subject: NRC Inspection Report - Hayre McElroy & Associates

Mr. Blazer

I'd like to thank you for your time this afternoon and the staff in Redmond, Washington during the NRC inspection on August 15, 2017. As I briefly discussed this afternoon, the NRC has determined that no violations were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.

The Region has received your email with attached letter requesting to amend your license, dated August 15, 2017, updating the main address/mailling address listed under License Condition 2 of your NRC license. You will receive a separate correspondence regarding this matter.

If you have any further questions, please do not hesitate to ask,

--
