Mr. Nelson,

I have reviewed the submitted information and I do need one further request. The Delegation of Authority provided appears to have been signed in 2015. As license renewals currently only occur every 10 years (soon to be 15 years) the NRC requests that Delegations of Authority submitted for license renewals be current to the request. Please submit a new Delegation of Authority signed by both Mr. Alan Pancake and someone in his senior management chain.

I have attached a model Delegation of Authority that may be altered to meet your company needs.

Please feel free to contact me at 630-829-9712 with any questions.

Thank you,
Laura Cender
