James Taylor
Executive Director for Operations
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Taylor:

Enclosed is an emergency addenda to our 10 CFR 2.206
petition submitted on July 21, 1992, and an addenda
based on new information.

We request a response to the emergency addenda before
August 15, 1992, and a response to the addenda based
on new information by August 31, 1992.

Thank you for your cooperation.

Sincerely,

Michael Mariotte
Executive Director
