Subject: Corrected Annual 10CFR50.59(b)(2) Report
R.E. Ginna Nuclear Power Plant
Docket No. 50-244

Ref. (a): Letter from R.C. Mecreddy (RG&E) to USNRC Document Control
Desk (A. Johnson), Subject: Annual Report of Facility
Changes, Tests, and Experiments, dated December 18, 1992

Dear Mr. Johnson:

Reference (a) transmitted the annual report of facility changes,
tests, and experiments required under 10CFR50.59(b)(2). Our cover
letter inadvertently stated that the report covered the period from
August, 1990 to July, 1991. The correct period covered by the
report is August, 1991 to July, 1992. In addition, some errors
were discovered in the collation of the report pages.

Attached is the corrected report. This corrected version should be
considered to supersede the reference (a) submittal in its
entirety.

We regret any inconvenience caused by these administrative
oversights.

Very truly yours,

Robert C. Mecreddy
