Mr. Harold Denton
Director of Nuclear Reactor
Regulation
U.S. Nuclear Regulatory
Commission
Washington, D.C. 20555

Dear Mr. Denton:

We represent Parsons & Whittemore, Inc. and Resources Recovery (Dade County), Inc., which are affiliated corporations. Enclosed is a formal request on behalf of P&W and RRD for enforcement action against Florida Power & Light Company for violating certain license conditions approved on April 24, 1981, by the Licensing Board in Docket No. 50-389A (St. Lucie Plant, Unit No. 2). The enclosed request has been served as though it were a pleading in that docket.

This matter is critically important to our clients. For that reason, after you have had a chance to review our request, we would appreciate an opportunity to meet with you and your staff to discuss the matter further. We and our clients will, of course, be pleased to cooperate in any investigation that you may wish to undertake.

You may contact me at the above number or my colleague Ellen Sward at 857-6169.

Sincerely,

George R. Kucik
