Docket No. 50-397

JUN 17 1980

Washington Public Power Supply System  
P. O. Box 968  
Richland, Washington 99352

Attention: Mr. N. O. Strand  
Managing Director

Gentlemen:

Subject: NRC Regional Evaluation of Licensee Performance  
Washington Nuclear Project No. 2

This refers to the meeting held at WPPSS Headquarters Offices in Richland, Washington on May 30, 1980, between Mr. R. H. Engelken and members of the Region V staff with Washington Public Power Supply System senior management personnel. The purpose of this meeting was to discuss the results of NRC's regional evaluation of licensee performance regarding activities authorized by NRC Construction Permit No. CPPR-93. A copy of this evaluation and supporting data are enclosed for your information.

Items discussed during the meeting included a description of NRC's program for evaluation of licensee performance, a summary of the findings and evaluation of the NRC regional review board regarding compliance with NRC requirements at the Washington Nuclear Project No. 2 during the period April 1979 through April 1980, specific areas of concern and matters requiring corrective actions by WPPSS. The areas of concern and required corrective actions are delineated in the NRC Office of Inspection and Enforcement Director's letter to you of June 17, 1980.

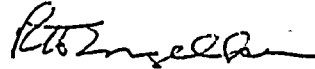

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2 Title 10, Code of Federal Regulations, a copy of this letter and its enclosures will be placed in the Nuclear Regulatory Commission's Document Room.

8006300582

Q

Should you have any questions concerning the enclosed evaluation and supporting data, we will be glad to discuss them with you.

Sincerely,

R. H. Engelken  
Director
