OFFICE OF THE ASSISTANT SECRETARY  
FOR COMMUNITY PLANNING AND DEVELOPMENT

IN REPLY REFER TO:

Mr. A. Schwencer  
Chief, Licensing Branch No. 2  
Division of Licensing  
U.S. Nuclear Regulatory Commission  
Washington, D. C. 20555

Dear Mr. Schwencer:

Subject: Washington Public Power Supply System (WPPSS) Project No. 2  
Hanford Reservation, Benton County, Washington

Thank you for providing us the opportunity to review the above draft Environmental Impact Statement (EIS). In accordance with 24 CFR Part 50 Protection and Enhancement of Environmental Quality, Department of Housing and Urban Development procedures, particularly Section 50.61 of our Regulations, we are forwarding the EIS to the responsible HUD Regional Environmental Officer. He will review and comment as appropriate, directly to you by your due date.

If non-HUD EIS's are sent directly to the Office with review responsibility, it would assure more prompt and thorough review. You should send copies of all future EIS's as follows:

1. All EIS's on legislative proposals, regulations, or policy documents of national or multi-state programmatic significance are reviewed by HUD Headquarters and should be sent to Mr. Richard H. Broun, Director, Office of Environmental Quality, HUD, Washington, D. C. 20410; and
2. All other site specific activities or project EIS's should be forwarded to the appropriate HUD Regional Office for comment. We have enclosed a list of our Regional Environmental Officers and their addresses.

If you have any questions in this regard, please feel free to contact me at (202) 755-6300.

Sincerely,

*for* *Francis G. Haas*  
Richard H. Broun

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps involved in the accounting process, from the initial entry of data into the system to the final review and approval of the records.

3. The third part of the document addresses the issue of data security. It discusses the various risks associated with the loss or theft of financial data and provides recommendations for implementing effective security measures to protect the information.

4. The fourth part of the document discusses the importance of regular audits. It explains how audits can help to identify errors and discrepancies in the records and ensure that the system is operating in accordance with established standards and regulations.

5. The fifth part of the document discusses the role of technology in the accounting process. It highlights the benefits of using computerized systems for recording and processing transactions and provides guidance on selecting and implementing appropriate software.

6. The sixth part of the document discusses the importance of training and education for accounting personnel. It emphasizes that staff must be properly trained in the latest accounting practices and technologies to ensure the accuracy and reliability of the financial records.

7. The seventh part of the document discusses the importance of transparency and accountability in the financial system. It explains how open access to financial information can help to build trust and confidence among stakeholders and prevent the misuse of funds.

8. The eighth part of the document discusses the importance of ongoing monitoring and evaluation of the financial system. It explains how regular reviews can help to identify areas for improvement and ensure that the system remains effective and efficient over time.
