Docket No. 50-397

TE HQ FILE COPY

Washington Public Power Supply System  
P. O. Box 968  
Richland, Washington 99352

Attention: Mr. R. G. Matlock  
Program Director, WNP-2

Gentlemen:

Subject: NRC Inspection at Washington Nuclear Project No. 2

This refers to the inspection conducted by Mr. R. T. Dodds, J. O. Elin, D. P. Haist, D. F. Fox, W. J. Wagner and A. J. D'Angelo of this office on August 31 to September 4, 1981 of activities authorized by NRC Construction Permit No. CPPR-93, and to the discussion of their findings with yourself and other members of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

No items of noncompliance with NRC requirements were identified within the scope of this inspection. Perceived weaknesses and strengths have been identified in the summary section of the enclosed inspection report.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractors) believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within ten (10) days from the date of this letter of your intention to file a request for withholding; and (b) submit within 25 days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than seven (7) days are available for your review, please notify this office promptly so that a new due date may be established. Consistent with section 2.790(b)(1), any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the basis on which it is claimed that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4).
