September 27, 2017

Mr. Barkley,

I contacted Chairwoman Svinicki's office several times in the past including June 25, 2017, July 17, 2017, July 18, 2017, August 14, 2017 and more recently on September 25, 2017 with We The people's request to meet with her.

I was under the impression Chair Svinicki' Legal advisor, Richard harper would be sending a letter to WTP, but as of this date I have not received and kind of reply as of this date.

NRC Chairwoman's Administrative Assistant, Janice instructed me September 25, 2017 to contact you for any requests I have of the Nuclear Regulatory (NRC) Commission or of Chairwoman, Kristine L. Svinicki.

Please provide We The People with the following information:

A. When did Massachusetts (MA) Assistant Attorney General, Seth Schofield first contact the Nuclear Regulatory Commission?

- B. Did Mr. Schofield come to the NRC headquarters in Rockville Maryland or was this a conference call?
- C. What do you understand was the purpose or reasons for Mr. Seth Schofield contacting the agency?
- D. Who was in attendance of this meeting and what positions do they presently hold at the NRC agency?
- E. Would you please mail WTP the minutes as a result of this meeting and any documentation you provided MA Assistant Attorney General, Seth Schofield or any Mr. Schofield provided to the NRC?
- F. Lastly, please provide WTP with any future correspondence or requests made by or to from the NRC or the MA AG Office concerning any matters having to do with We The People or myself.

Thank you for your understanding and earliest responses to my requests.

Respectively submitted,

Stephen B. Comley Sr.
Founder of We The People a National Whistleblower Protection Non-Profit Organization
