Dear Mr. Ferguson:

Subject: Yakima Indian Nation Input to WNP-2 Off-Site Emergency Planning Program

This letter is to confirm our conversations over the past several months with Dr. G. D. Bouchey and Mr. G. C. Sorenson of your staff regarding the participation of Yakima Indian Nation in the WNP-2 off-site emergency planning program.

The Yakima Tribal Reservation is outside the 10 mile emergency planning zone but certain parts of the reservation are within the 50 miles radius of the WNP-2 plant site. It is our understanding that Washington Public Power Supply System will solicit and include input from Yakima Indian Nation in your final Emergency Preparedness program report for WNP-2. Please provide the schedule and status of your final report.

If you have any questions, call Raj Auluck, Project Manager at (301) 492-9778.

Sincerely,

/s/
