Docket No. 50-397

Washington Public Power Supply System
P. O. Box 968
Richland, Washington 99352

Attention: Mr. C. S. Carlisle
Program Director

Gentlemen:

Subject: NRC Construction Assessment Team Inspection

A Construction Assessment Team (CAT) inspection has been scheduled for the WNP-2 facility on May 16-27 and June 6-16, 1983. The inspection will concentrate on the adequacy of installed components and systems. It will be necessary for you to provide certain services to assist our inspectors in the conduct of their inspection activities. Typically, this could include the erection of scaffolding, NDE testing services lifting of electrical terminations, etc.

Attached is a list of team members and their respective assignments. They will need unrestricted access to the site. It would be desirable to have someone designated as a point of contact for each discipline/principal activity.

1. The first part of the document discusses the general situation of the country and the role of the government in the economy. It mentions the need for a comprehensive reform of the economic system and the importance of maintaining social stability.

2. Economic Reforms

The second part of the document details the specific economic reforms being implemented. It includes a list of measures such as privatization of state-owned enterprises, liberalization of trade, and the introduction of market-oriented reforms. The text emphasizes the need for a gradual and controlled approach to these changes to avoid social unrest.

3. The third part of the document discusses the social and political aspects of the reforms. It mentions the need for a strong legal system and the importance of maintaining the rule of law.

4. The fourth part of the document discusses the role of the government in the economy. It mentions the need for a strong and efficient government and the importance of maintaining social stability.

5. The fifth part of the document discusses the role of the government in the economy. It mentions the need for a strong and efficient government and the importance of maintaining social stability.

6. The sixth part of the document discusses the role of the government in the economy. It mentions the need for a strong and efficient government and the importance of maintaining social stability.
