Dear Mr. Ferguson:

Subject: Preliminary Design Assessment Audit Report for WNP-2

The report addressing the on-site audit of the WNP-2 preliminary design assessment is enclosed. The report lists or describes human engineering discrepancies (HEDs) identified by the WNP-2 review team or by the NRC during the June 6-9 on-site audit. These HEDs have been categorized by the staff to reflect no action, NRC action or applicant action.

With respect to the attached report, provide your proposed schedule for completion of the review and evaluation of findings and submittal of your report on any identified HEDs for Part A, your proposed schedule for corrective actions for the HEDs in Part C, your proposed schedules for resolution and implementation of any corrective actions for the HEDs in Part D, and proposed improvements in schedule for implementation of corrective actions for the HEDs in Part F. With respect to the HEDs in Part E, provide your proposed schedule for either conformance with or justification for not conforming with the positions stated in the comments for each HED.

To maintain our licensing review schedule for the WNP-2, please provide the above requested information by September 30, 1983. If you desire any clarification, please contact Raj Auluck at (301) 492-8547, or R. Froelich at (301) 492-4883.

Sincerely,
