Mr. Barkley, how soon should We The People expect to receive responses to my questions and comments to my communication to you on September 27, 2017?

In addition I asked Mr. Neil Sheehan during our phone call on September 28, 2017 to contact you about several matters including copies of various threats on my family and me. As you know NRC Chairwoman, Kristine Svinicki's office has instructed me to contact you about any requests or comments We The People would like replied by NRC Chairwoman, Kristine L. Svinicki.

Since my contact with you on September 27, 2017 has Mr. Neil Sheehan been in communication with you about the content of my requests and comments I made to him on September 28, 2017 concerning Chair Svinicki's?

Please respond,

Stephen B. Comley Sr.
