

2017 NSLO Conference

Decommissioning Panel

Regional Perspectives

Jack Giessner
NRC Region 3

2017 NSLO Conference

Decommissioning Panel Regional Perspectives

- Focus continues to be on safe and secure operations during decommissioning
- NRC inspection guidance addresses all phases: transition/SAFSTOR/active decommissioning
- NRC guidance has flexibility to focus on the risk significant activities and issues

2017 NSLO Conference

Decommissioning Panel Regional Perspectives

- NRC continues to gain knowledge with sites in various phases:
 - Active: Zion/Humboldt Bay/La Crosse/SONGS
 - Recent SAFSTOR (transition to):
 - Kewaunee/Ft Calhoun/VY/Crystal River
 - Several continue in SAFSTOR
- NRC will update our guidance to capture lessons learned
