SUBJECT: WNP-2 OPERATIONAL QUALITY ASSURANCE PROGRAM DESCRIPTION
(WPPSS-QA-004) REVISION 18, 19, AND 20

We have completed our review of your Operational Quality Assurance Program Description, Revisions 18, 19, and 20, submitted by your Letter GO-94-287, dated December 29, 1994. Revisions 18 and 19 reflect changes to your organization which combine the quality assurance (QA) functions under the Assistant Managing Director, Operations. Revision 20 changes the method used by Procurement QA and Quality Assessments to review procurement documents and monitor the procurement process.

Our review determined that your quality assurance program description as changed by your December 29, 1994, submittal continues to meet the requirements of 10 CFR Part 50, Appendix B, and is acceptable.

Should you have any questions regarding this letter, please contact Mr. W. P. Ang of my staff at (510)975-0310.

Sincerely,

Thomas P. Gwynn, Director
Division of Reactor Safety
