Mr. Sean Perry,

I'd like to thank you for your time Friday afternoon and during the NRC inspection at your facility in Benbrook, Texas on August 8, 2017. As I briefly discussed on Friday afternoon, the NRC has determined that no violations were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.

If you have any further questions, please do not hesitate to ask,
