Dear Ms. Taylor,

In response to my memorandum of August 11, 2017, you have been identified as the representative for the State of South Carolina. While the State of South Carolina is not a member of the LSNARP, the State of South Carolina has been admitted as a party to the High-Level Waste Proceeding and, therefore, is eligible for LSNARP membership. Under the provisions of 10 C.F.R. § 2.1011(d) and the LSNARP's Charter, the Secretary of the Commission may appoint additional members to the Panel, "giving particular consideration to . . . those who later acquire actual party status."

If you wish the Secretary to consider designating the State of South Carolina as a member of the LSNARP, please respond by Monday, October 30, 2017, by requesting appointment to the Panel.

Please submit your organization's request to LSNARP@NRC.gov and Andrew.Bates@nrc.gov.

Sincerely,

—
Andrew Bates
