Mr. E. E. Van Brunt, Jr.
Vice President, Nuclear Projects

P.O. Box 2,666

Dear Mr. Van Brunt:

Subject: Approval for Location of Backup EOF for Palo Verde

This letter is in response to your letter of June 16, 1983 with regard to your request for an exception to the distance of the backup Emergency Response Facility (EOF) for the Palo Verde Nuclear Generating Station (PVNGS) Units 1, 2 and 3. In your letter you state that you wish to establish the backup EOF in the Palo Verde Inn which is approximately 8 miles from the PVNGS plant site.

You are hereby advised that the Commission finds your position with regard to this location acceptable for the PVNGS backup EOF. This approval only applies to the location of this facility. Approval of the other features of the facility as well as approval of your other Emergency Response Facilities (ERFs) will be determined during a post implementation appraisal to be conducted at PVNGS when all your ERFs have been completed.

Sincerely,
