

(9) Results of Piping Vibration Test Program (Section 3.9.2, SER)

Three months following completion of the piping vibration test program performed during initial startup, APS shall submit a summary of the results which demonstrate that the vibration of piping systems is within acceptable levels.

(10) Response to Salem ATWS Event (Section 7.2, SSER 7, and Section 1.11, SSER 8)

APS shall complete implementation of the requirements of Generic Letter 83-28 on a schedule which is consistent with that given in its letter dated April 19, 1985.

(11) Supplement No. 1 to NUREG-0737 Requirements

APS shall complete the emergency response capabilities as required by Attachment 3.

(12) Radiochemistry Laboratory (Section 7.3.1.5(3), Emergency Plan)

APS shall maintain and operate the Palo Verde, Unit 2 radio-chemistry laboratory as part of the Palo Verde, Unit 1 facility under this Part 50 license authorization, in accordance with the commitments made by letter ANPP-30937, dated October 24, 1984, until the Unit 2 facility is issued a Part 50 license.

D. (1) The facility requires an exemption from Paragraph III.D.2(b)(ii) of Appendix J to 10 CFR Part 50 (Section 6.2.6, SSER 7). This exemption is authorized by law and will not endanger life or property or the common defense and security and is otherwise in the public interest. This exemption is, therefore, hereby granted pursuant to 10 CFR 50.12. With the granting of this exemption, the facility will operate, to the extent authorized herein, in conformity with the application, as amended, the provisions of the Act, and the rules and regulations of the Commission.

INSERT A

E. APS shall fully implement and maintain in effect all provisions of the Commission approved physical security, guard training and qualification, and safeguards contingency plans, including all amendments and revisions made pursuant to the authority of 10 CFR 50.90 and 10 CFR 50.54(p), which are part of this license. These approved plans, which contain Safeguards Information protected under 10 CFR 72.21, are entitled: "Palo Verde Nuclear Generating Station Security Plan," including a Chapter 8 contingency plan, and "Palo Verde Nuclear Generating Station Training and Qualification Plan." The Palo Verde Nuclear Generating Station Safeguards contingency Plan is integrated into the Physical Security Plan.

Insert A

- (2) The facility requires a partial exemption from those portions of General Design Criterion 4 of Appendix A to 10 CFR Part 50 which require protection of structures, systems, and components against certain dynamic effects associated with postulated reactor coolant system pipe breaks. This exemption is authorized by law and will not endanger life or property or the common defense and security and is otherwise in the public interest. This exemption is, therefore, hereby granted pursuant to 10 CFR 50.12 for a period ending with the completion of the second refueling outage for the facility or the adoption of the proposed rulemaking for modification of GDC 4 whichever occurs first. With the granting of this exemption, the facility will operate, to the extent authorized herein, in conformity with the application, as amended, the provisions of the Act, and the rules and regulations of the Commission.

11-11-68

1. The first part of the document discusses the general situation of the company and the results of the previous period. It mentions that the company has achieved significant progress in its operations and that the management team is committed to further growth and development.

2. The second part of the document provides a detailed analysis of the company's financial performance. It highlights the company's strong revenue growth and improved profit margins, which are attributed to the company's strategic focus on cost reduction and operational efficiency.

3. The third part of the document outlines the company's future plans and goals. It states that the company aims to continue its growth trajectory by expanding its market presence and investing in research and development to develop new products and services.

4. The final part of the document concludes with a statement of confidence in the company's future prospects and a commitment to transparency and accountability to the shareholders.
