Dear Mr. Miller:

Re: St. Lucie Units 1 and 2
Docket No. 50-335, 50-389
Procedure Generation Package for
Emergency Operating Procedures

Our letter L-84-201, dated August 8, 1984, stated that we would provide a schedule for responding to your questions on our Procedure Generation Package following the August 29, 1984 meeting between your reviewers and the CE Owners Group Procedures Subcommittee. Based on the results of that meeting it was agreed that a response will be prepared to these concerns in a generic manner by the Owners Group. This effort is estimated to take approximately four months to complete.

Therefore, we will provide a status of the effort, and our future plans by February 1, 1985.

Very truly yours,
