

UNITED STATES NUCLEAR REGULATORY COMMISSIONARIZONA PUBLIC SERVICE COMPANY, ET AL.PALO VERDE NUCLEAR GENERATING STATIONDOCKET NOS. 50-528, 50-529 AND 50-530ISSUANCE OF DIRECTOR'S DECISION (DD-92-01) UNDER 10 CFR 2.206

Notice is hereby given that the Director, Office of Nuclear Reactor Regulation, has issued a Director's Decision concerning a letter of June 6, 1991, addressed to the Chairman of the U.S. Nuclear Regulatory Commission filed by Messrs. David K. Colapinto and Stephen M. Kohn. The letter contained 10 allegations regarding plant operation at the Palo Verde Nuclear Generating Station and requested that the three Palo Verde units be shut down until the matters raised in the letter have been resolved. The letter also requested that a special investigative team be appointed to monitor and inspect conditions at the plant. The NRC has treated the letter as a request for action under the NRC regulations contained in 10 CFR 2.206.

The Director of the Office of Nuclear Reactor Regulation has determined that the request should be denied for the reasons set forth in the "Director's Decision Under 10 CFR 2.206" (DD-92-01), which is available for inspection and copying in the Commission's Public Document Room, Gelman Building, 2120 L Street, N.W., Washington, D.C. 20555 and at the local public document room located at the Phoenix Public Library, 12 East McDowell Road, Phoenix, Arizona 85004.

A copy of the decision has been filed with the Secretary of the Commission for the Commission's review in accordance with 10 CFR 2.206(c). As provided therein, this decision will become the final action of the Commission 25 days after issuance unless the Commission, on its own motion, institutes review of the decision within that time.

FOR THE NUCLEAR REGULATORY COMMISSION

A handwritten signature in cursive script that reads "Thomas E. Murley". The signature is written in dark ink and is positioned above the typed name and title.

Thomas E. Murley, Director  
Office of Nuclear Reactor Regulation

Dated at Rockville, Maryland,  
this 16th day of March, 1992.
