Expedited review requested

Dear FOI Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, a copy of the agency's FOIA log for the past 12 months.

As you may be aware, FOIA logs are routinely considered public record. Before sending this FOIA, I did check with your agency's website to see if it was posted there. If I missed it, I greatly apologize and hope you can direct me to where it is located.

I would like the FOIA log in whatever format would be most expedient – a pdf, or spreadsheet or however it is most conveniently kept.

As a representative of the news media I am only required to pay for the direct cost of duplication. Through this request, I am gathering information on reason that is of ongoing interest to the public. This information is being sought on behalf of NBC News for dissemination to the general public.

Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. If the cost exceeds \$500, please contact me before fulfilling this request.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request. My cell phone number is (b) (6). My work number is 212-413-5165.

Please provide expedited review of this request which concerns a matter of urgency. As a journalist, I am primarily engaged in disseminating information. The public has an urgent need for information about subject for expedite because questions raised the quality of products produced by foreign facilities for goods that are imported into the United States.

I look forward to your reply within 20 business days, as the statute requires.

If you choose to deny the request, please respond in writing and state the statutory exception authorizing the withholding of all or part of the public record and the name and title or position of

the person responsible for the denial. Please also include information to whom we can submit our appeal.

Thank you for your assistance.

Sincerely,

Patrick Martin
