Subject: License Termination

Discussion: I talked to Mr. Sakson, who was the Radiation Safety Officer for Jeff Zell Consultants, Inc. I told him that I was unable to reach Mr. Zell through his email or phone call. He said that the company closed in April 2017, and he had nothing to do with the license. He told me that Jeff Zell Consultants, Inc. were working with Applied Health Physics, LLC to close the licenses. I call there and talked to Mr. Dowling, who sent me the copies of all the leak tests that they had in their records. This should be sufficient for the leak tests that were not included in the request.

Action Required: Terminate the license
