Dear Mr. Colapinto:

I am providing you with the Final Director's Decision responding to certain allegations raised in the Petition of May 22, 1990, filed pursuant to 10 CFR Section 2.206 by you on behalf of Mrs. Linda E. Mitchell (Petitioner). In particular, I am addressing the allegations of wrongdoing on the part of Arizona Public Service Company (APS) regarding NRC inspections of emergency lighting and fire protection at the Palo Verde Nuclear Generating Station. As provided by this regulation, the Decision will constitute the final action of the Commission 25 days after the date of issuance of the Decision unless the Commission, on its own motion, institutes a review of the Decision within that time.

I have also enclosed a copy of the notice of this Final Director's Decision that has been filed with the Office of the Federal Register for publication.
