Subject: RAI, Letter dated October 5, 2017

Discussion: I asked Mr. Hinton, what the purpose was of the request in the letter. He said so he could use sealed sources (Not radiopharmaceuticals) at other locations. I told him that I saw only restriction on the radiopharmaceuticals location on the license. All of the other materials could be moved as they deemed necessary. The request that was submitted would not have gained them any more flexibility and we determined the request was no longer needed.

Action Required: Perform amendment without the additional request
