JOINT MOTION FOR EXTENSION OF TIME TO PROVIDE INITIAL DISCLOSURES

On October 10, 2017, the Board issued its Memorandum and Order granting the hearing request of the Intervenors. Based on the date of the Board’s Order, the parties must make their initial disclosures no later than Thursday, November 9, 2017. 10 C.F.R. § 2.336(a) and (b). In addition, the Nuclear Regulatory Commission (“NRC”) Staff must produce a hearing file by that date. 10 C.F.R. § 2.1203.

The Tennessee Valley Authority, the Southern Alliance for Clean Energy, and the Tennessee Environmental Council, and NRC Staff (collectively, “Movants”) respectfully request that the Board extend the deadline for initial disclosures and production of the hearing file to Friday, December 15, 2017. Movants seek this extension based on the number of documents to be searched and reviewed; and the time needed to prepare the initial disclosures; and intervening Federal holidays. The Movants respectfully submit that these factors constitute good cause for an extension of time pursuant to 10 C.F.R. § 2.307(a).

The Movants consulted and authorized this joint motion during a teleconference on November 2, 2017. Counsel of record for each of the other Movants identified above has authorized counsel for TVA to submit this motion on behalf of the Movants.

Respectfully submitted,
